

Printable Bracelet Sizing Guide

Unsure of your bracelet size? We're here to help!

Step 1

If your credit card fits properly in here, then the scale of this bracelet sizer is accurate. If not, reprint the page with scaling set to 100% / actual size.

Step 2

Cut out the ruler and then cut open the slit at the base where it says 'Cut Me'.

Step 3

Wrap the ruler around your wrist, ensuring the numbers are visible, and insert the tip through the slip. Adjust until you achieve a snug fit around your wrist.

Step 4

Check the measurement at the point where the tip of the ruler meets the slit. this is your wrist size circumference.

Step 5

Find your desired fit.
